

Sovereign Bumper-Guard™ to fit Hyundai Santa Fe

Sovereign™
Vehicle Integrated Accessories

Product options:

Product Finishes

A low maintenance product finish of a rich metallic luster with a high pearlescent sheen. It is a highly durable finish and does not require polishing.

The base unit colour of the Bumper-Guard™ is

"Sovereign Titanium Pearl" and the corner castings and add on options are available in either the same colour or as a contrasting colour in "Sovereign Ebony Pearl".

Alternatively the product is also available in a highly polished finish.

The add on options are:

- An accessory base to fit the number plate, driving Lights & aerials.
- Under-run guards in sets of either two or three.
